TO: All benefit Members of the Swiss Society of Nashville

The Swiss Society of Nashville consists of Benefit members and Social members. Benefit members, of whom you are one, are members belonging to the Society prior to January 1, 1982. Only Benefit Members are entitled to sick and death benefits.

According to the Society's By-Law, which read:

"In case a benefit member becomes sick and is unable to work, he shall be entitled, after the elapse of one week from the time he was reported sick, to sick benefit of one dollar per day.

"If the condition of the sick member requires hospital treatment, the sick benefit shall start from the first day of such hospitalization."

"When a Benefit member dies, his beneficiary shall notify to the Society inside of one month and shall be paid..." the death benefit according to the number of years of membership, plus any corresponding unused sick benefit.

A payout proposal is being presented herein to the Benefit members, whereby the Society would pay each Benefit member the total benefits due, as if they were in the Society fifty-one (51) years or longer (sick and death--maximum benefit of \$900). Deducted from that maximum amount would be any sick benefits drawn to date and the dues of \$12 per year from January 1, 1995 until the Benefit member would become an Honorary member. Therefore, you would be exempt from paying dues beginning January 1, 1995.

An example for a thirty-five (35) year Benefit member:

The Maximum benefit	\$ 900
Dues owed for only 15 more years @ \$12/year	- 180
Any sick benefits drawn to date	---
Total Amount Due To Benefit Member	\$720

This plan would enable you to receive the benefits now in lieu of the benefits going to your beneficiary or estate upon your death.

We request that you mark the enclosed ballot with an "X" indicating whether or not this proposal is acceptable to you, and return it by November 24, 1994 in the self-addressed, stamped envelope that is enclosed. If you have any questions, please call one of the committee members listed below. Thank you for your early response.
